INFORMED CONSENT TO CHIROPRACTIC TREATMENT

I hereby request and consent to the performance of chiropractic adjustments and other chiropractic procedures including various modes of physical therapy, and if necessary, diagnostic x-rays on me (or the patient named below, for whom I am legally responsible: _____) by the chiropractic physician and/or anyone working in this office authorized by the chiropractic physician.

I have had an opportunity to discuss with the doctor named below and/or with other office or clinic personnel the nature and purpose of chiropractic adjustments and other procedures. I understand and am informed that, as in the practice of medicine and all healthcare disciplines, the practice of chiropractic carries some risks to treatment; including, but not limited to: increased pain, spasms, sprains, fractures, disc injuries, strokes (CVA), dislocations, and even death. I do not expect the physician to be able to anticipate and explain all risks and complications. Further, I wish to rely on the physician to exercise judgment during the course of the procedure which the physician feels are appropriate and in my best interests at the time, based upon the facts then known.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its contents, and by signing below, I agree to the treatment recommended by my physician. I intend this consent form to cover the entire course of treatment for my present condition(s) and for any condition(s) for which I seek treatment at this facility.
